

Chiltern Branch

Chiltern Branch programme of Branch Meetings will restart on Wednesday 22nd September 2021 (Subject to government advice and regulation).

Venue change; we are moving our meetings to the Rickmansworth Waterways Trust's premises at Batchworth Lock, Rickmansworth. This change is primarily due to uncertainty over the availability and conditions of use at Little Chalfont. However, RWT facilities are first class, charges are very similar to Little Chalfont and will go to the benefit of an excellent waterways charity!
