

GLOUCESTER CAMPAIGN RALLY & CRUISE

30th SEPTEMBER

RALLY -11.30 to 13.30

GLOUCESTER DOCKS

FUND BRITAIN'S
WATERWAYS
MEMBER

Fund Gloucester's Waterways is a member of [Fund Britain's Waterways](#) (FBW) action group. **You are invited to join us at a campaign rally and cruise for more government funding for the waterways (NOT LESS) at Gloucester Docks on Saturday 30th September. GL1 2EQ**

Boaters – we need as many boats please, so bring your boat along. Join **Fund Gloucester's Waterways** in our campaign rally and cruise and help us to get the message across to government that increased funding for Britain's waterways really matters

Of course, *Fund Gloucester's Waterways* is not just about boating; the risk to our waterways is equally important for all docks and towpath users. Please show your support for this campaign by coming along to the Main Basin in Gloucester Docks from 11.30am to 1.30pm on Saturday 30th September. As well as enjoying the varied boats attending, there will be a presentation explaining the importance of the campaign. A link will be added here nearer the date to access it, or via a QR code displayed at the event.

The date has been arranged for you, the boaters, the only chance this year in the Gloucester area to express your deep concern on the proposed funding of Britain's Waterways. Plans have still to be finalised but in brief boats will gather on the Saturday from various locations along the Gloucester & Sharpness canal, and the River Severn and meet at the Gloucester Docks Main Basin on Saturday morning. There will be no entry charge for boats but an application form must be completed.

To Join '**Fund Gloucester's Waterways**' Group or to Book Your Boat- see info@fundgloswaterways.co.uk or scan
